

1. CLIENT			
Company name :			
Address :			
Character of the factory :			
Contact details (telephone / fax / email) :			
Person responsible for project (work station occupied) :			
2. WASTE IN TECHNOLOGICAL PROCESS / PRODUCTION			
Waste chemical composition / Chemicals applied :		Waste quantity in technological process :	
Waste component 1		Waste quantity : _____ m <sup>3</sup> /a-year	Previous technological operations :
Waste component 2		Waste quantity: _____ m <sup>3</sup> /a-year	Previous technological operations:
Waste component 3		Waste quantity: _____ m <sup>3</sup> /a-year	Previous technological operations:
Waste component 4		Waste quantity: _____ m <sup>3</sup> /a-year	Previous technological operations:
Overall waste capacity :	<input type="checkbox"/> regular quantity _____ m <sup>3</sup> /a or l/h <input type="checkbox"/> irregular quantity _____ m <sup>3</sup> /day / week / month / year		
Content of waste components : <input type="checkbox"/> unknown <input type="checkbox"/> variable <input type="checkbox"/> known <input type="checkbox"/> presumable	pH _____	Temperature _____ °C	Suspension _____ mg/l
	Chlorines _____ mg/l	Water hardness _____ °dH	Fluoride _____ mg/l
	Other :	Do they contain any solvents?	<input type="checkbox"/> yes <input type="checkbox"/> no
3. TECHNICAL DATA SHEETS / ANALYSES / TESTS			
Technical data :	<input type="checkbox"/> attached <input type="checkbox"/> to be send <input type="checkbox"/> inaccessible		
Other analyses :	<input type="checkbox"/> attached <input type="checkbox"/> to be send <input type="checkbox"/> not being performed		
Compatibility with other construction materials :	Stainless steel 1.4571	Brass	Viton
	<input type="checkbox"/> compatible <input type="checkbox"/> incompatible	<input type="checkbox"/> compatible <input type="checkbox"/> incompatible	<input type="checkbox"/> compatible <input type="checkbox"/> incompatible
	Rubber silicone	EPDM	NBR
	<input type="checkbox"/> compatible <input type="checkbox"/> incompatible	<input type="checkbox"/> compatible <input type="checkbox"/> incompatible	<input type="checkbox"/> compatible <input type="checkbox"/> incompatible
	others, if known :		
Inne doświadczenia w kontakcie z materiałami :			
Laboratory analyses :	Are they required with shared costs? <input type="checkbox"/> yes <input type="checkbox"/> no		
Tests :	Are they required with shared costs? <input type="checkbox"/> yes <input type="checkbox"/> no		
4. DISTILLATE			
Distillate destination :	<input type="checkbox"/> for reuse, where : _____ <input type="checkbox"/> closed circulation <input type="checkbox"/> direct partition <input type="checkbox"/> indirect partition		
Distillate characteristics :	<input type="checkbox"/> conductivity _____ μS/cm <input type="checkbox"/> pH value _____ <input type="checkbox"/> temperature _____ °C <input type="checkbox"/> other characteristics		

## 5. ADDITIONAL INFORMATION

Remarks :

Date and signature of the person  
filling questionnaire :
